WINSLOW HS

Dr. Hartman

*Yearbook
Dedicatee*

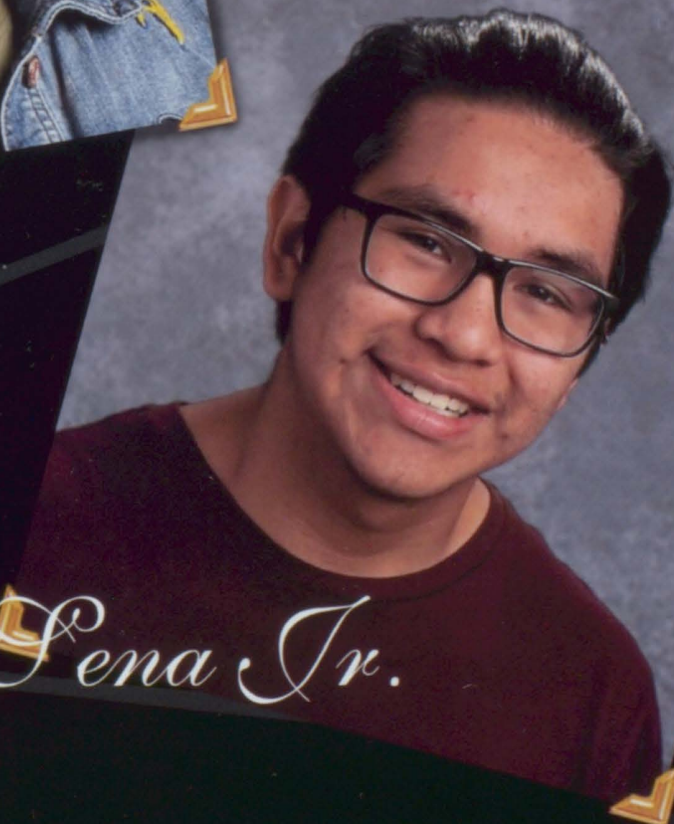

Dr. Justin Hartman is a Winslow native. He was born at Winslow Memorial Hospital, where he brought along his best friend...his twin brother, Jeff. Dr. Hartman attended Washington Elementary School, Winslow Junior High School and graduated from Winslow High School. He then went on to earn Bachelors, Masters, and Doctorate degrees in Education. He has worked his entire career in the Winslow Public Schools and his leadership skills and determination have taken him from student teaching to his current position as Principal of Winslow High School. Dr. Hartman has also been very involved with the wrestling program. He was a wrestling coach for Winslow High School and later focused on being a referee. Both Dr. Hartman and his brother, Jeff, have been instrumental in bringing the Doc Wright Wrestling Tournament back as one of the premier tournaments in the state of Arizona. Due to his background and educational experiences, Dr. Hartman has always felt a special connection with the students attending Winslow schools and the teachers in the school district. He has always been a very generous individual and often provided for students to make sure their needs were met.

Dr. Hartman and his wife, Candace, are the parents of twin daughters, Bailey and Madison.

Making this yearbook was definitely not an easy task. However, it was amazing to be apart of something like this! I hope you guys enjoy flipping through the pages as much as I did.

-- McKenna Arend

Although this yearbook was difficult to work on I had a lot of fun working on it. It was a really rewarding experience and I hope you have as much fun looking through it as we did making it.

-- Max Edwards
